Sliding Wardrobes Delivered Direct To Your Door

1 Space saving, space creating

Sliding doors not only save you space on the outside of the wardrobe, they also make more of what's on the inside!

Sliding doors can go from wall to wall or wall to end panel.

2 Fits any space

Our custom sliding doors can be made to fit any space from: 0.7m - 2.6m high and 1m - 5m wide.

Our vesta interior system can be built to fit any space from 1m - 5m wide, filling any space, wall to wall and floor to ceiling.

3 Outside of bedroom

Sliding doors are a great solution outside of the bedroom where they can be used as room dividers in kitchens, pantries, ensuites or utility rooms without losing room depth needed for traditional hinged doors.

4 Easy to install

Our sliding doors can be fitted in just a couple of hours. Simply position and fix your top and bottom track, then position your doors in place.

5 Quality and guarantee

All of our sliding wardrobe doors are manufactured in Paphos at our workshop. All glass is safety backed to BS requirements and our wood finish products are FSC and PEFC registered. We are so confident in our products they all come with a 10 year guarantee.

10 YEAR GUARANTEE
